<b>VISUAL ARTS - Division 48</b>	
~ A project done in school should be eligible for display or show through one, but only one organization. The organization should be chosen by the youth member - be that school or 4H.	
~ For safety in handling and for attractive display at fair, each exhibit must have an adequate hanger - either string or wire firmly attached. Absolutely no pictures, posters or display boards not properly prepared for hanging (with a piece of hook-side Velcro on back) will be displayed. The fair is not responsible for breakage due to inadequate hangers. Pictures should be matted or framed, but it can be very simple. Framing will not be judged except as to its appropriateness on type of picture. Do not send frames with glass.	
~ Exhibits in this division must have been created in one of the visual arts project areas during the current 4H year.	
~ An exhibit may be accompanied by a statement indicating: What you started with/ What technique was used/ What you would change/What you learned/Idea on purpose of the exhibit/Special information for the judge.
